## **PRESS RELEASE**

February 20, 2019

### **North Landing Site Plan Options Public Meeting**

GLENWOOD SPRINGS, CO – The City of Glenwood Springs invites community members to discuss potential North Landing Site plan options on March 5 at 5:30 p.m. at the Hotel Colorado. City staff will present three different options for the North Landing Site and community members will have the opportunity to provide feedback.

At the request of City Council, the three options to be presented will be small, medium, and large. The small option will include a bathroom and a kiosk, the large option is not to exceed a 3,000 ft<sup>2</sup> footprint, and the medium option will be in between the small and large.

The North Landing Site is the former landing site of the Grand Avenue Bridge on 6<sup>th</sup> Street in Glenwood Springs. Madeline Wiener was selected in 2018 as the artist to create an interactive sculpture for this space. All development options for this site will accommodate the sculpture that is scheduled to be completed later this year.
